

Bulk pack dispenser

Product sheet

You may find those toilet rolls impractical. Therefore, you prefer carefully sorted toilet tissues. With this special PlastiQline Exclusive bulk-pack dispenser you always have plenty of tissues in stock.

This PlastiQline Exclusive toilet tissue dispenser is an architectural masterpiece. The sleek dispenser is provided with a mat stainless steel front. That is why the dispenser always has a clean and hygienic look. The dispenser has room for at least two bundles of toilet tissues. Enough stock to get through the daily peak of toilet use. The oval base allows easy and efficient paper removal. And do you need more paper? That is no problem. Because of the transparent windows for stock level checking† there is always sufficient tissues.

Do you always want to have enough toilet tissue? Ask now for the quote!
