

Sanitary bag dispenser (plastic)

Product sheet

Sanitary bag dispenser for plastic sanitary bags

An absolute necessity in any ladies' toilet, but often not the most attractive item in this room: the sanitary bag dispenser. But that is certainly not the case with this dispenser!

Thanks to its elegant design, this sanitary bag dispenser is an asset to any ladies toilet.

The sanitary bag cartridge fits perfectly into the dispenser and will not move, thanks to 2 clever hooks that hold the cartridge firmly in place. With one single operation, you take a plastic sanitary bag from the dispenser, and subsequently deposit the waste in a closed bag in the accompanying wings sanitary bin.

We can also provide the plastic sanitary...
