

# Action 1200 Push

Product sheet

Staying at a hotel means optimum relaxation for your guests. As a host, you will therefore provide a tastefully furnished hotel room with every conceivable amenity. A professional hairdryer is an absolute must. This hairdryer is a typical product from the well-known Valera line: top quality in a stylish package. The black/chrome exterior demonstrates that the designers have thought about the design. The hairdryer is easy to handle: with its two settings for air velocity and three settings for the temperature, your guest can leave the hotel room with an attractive hairstyle. Are you looking for top quality in a stylish package? Request a quote for the black/chrome wall hairdryer by Valera.
