

Grab bar straight 455 mm stainless steel

In a medical environment, care for the client comes first. A user-friendly and hygienic sanitary room, equipped with the right facilities, is essential. The MediQo-line grab bars optimize the convenience of toilet, bath or shower for your client. This 45 inch long grab bar excels in ease of use. The bar is designed in such a way that the grip is maximum. The bar can, customized to your client, be mounted horizontally and vertically or diagonally on the wall. Toilet, bath or shower are so easy to use for your client. That is what you like, don't you? Request the quote.
