

Hand dryer black automatic

Product sheet

You don't have to be an interior decorator to appreciate this hand dryer's unique design. The elegant round forms and subtle drying area make this hand dryer suitable for any type of stylish decorated sanitary area.

What has made this black powder-coated variant a best seller is its simple use and powerful appearance. The dryer is activated automatically when skin contact takes place. Drying your hands only takes half a minute thanks to the fast warm air displacement. †
