

Hand dryer stainless steel automatic

If you like sturdy, choose mat stainless steel. The carefully cut material gives each design a robust look. That certainly applies to this Mediclinics warm air hand dryer. With this hand dryer you offer your guests not only an eye-catching accessory, but also optimal comfort. Whoever rolls up his sleeves will immediately get a good dry treat. The hand dryer just needs thirty seconds to dry hands. Due to the rotatable nozzle, it is possible to move the air flow as desired. If you like sturdy and robust? Then this Mediclinics hand dryer is made for you. request a quote!
