

Hand dryer white automatic

Product sheet

A carefully designed bathroom is evidence of good taste. It will be a huge plus factor for your guests, who want nothing more than to relax in a tastefully designed bathroom. This Mediclinics hand dryer demonstrates that our designers know what convenience is. This easy-to-use powder-coated version and its immaculate appearance make it a best-seller. The hand dryer is automatically activated by skin contact. Due to the rapid circulation of warm air, activation of half a minute is sufficient for completely dry hands. Would you prefer a sophisticated design in combination with optimum user convenience? Request a quote now for the Mediclinics warm-air hand dryer.
