

Waste bin 15 litre stainless steel

Product sheet

In an high traffic area, a strong waste bin is indispensable. The MediQo-line waste bin offers a solution for plastic cups, wrappers and towels lying around all over the place.

This waste bin is not only a convenient solution for small litter, it's also a nice accent in your interior. The bin is made of sturdy brushed stainless steel, which gives the bin a contemporary look. The waste bin is mounted on the wall with the stainless steel wall plate. Quick emptying is possible by lifting the bin from the wall plate.

If you prefer a bin with a robust look, the choice for the MediQo-line waste bin is easily made. Request the quote.
